

Spoken Tutorial (ST) Program

"**Spoken Tutorial (ST) Program**, IIT Bombay is the Knowledge Partner of Kannur University, to provide Basic IT and Skill oriented IT/ Software courses to students for FREE of COST. Spoken Tutorial-IIT Bombay provides free training on C, C++, LaTeX, OpenFOAM, Perl, PHP, Python, Scilab etc. A Planning and Monitoring Tracker is available in the website given below. All the college/University Department Spoken Tutorial Faculty Coordinator shall provide the details regarding the training that is required for the college using the below given Planning and Monitoring Tracker. This program will be implemented and rolled out in the new Academic Year 2016-2017. Each college/University Department shall complete one year planning and submit Spoken Tutorial Planning form available on University website before 31st August 2016. It is necessary that all the colleges/University Department shall introduce the training so that the students can benefit by getting jobs, learning advanced IT skills and improving exam performance."

For more details, please visit the project website www.spoken-tutorial.org
